

RDKV-20190311 RPi Hybrid License Manifest Report

DISCLAIMER - the information in the table below is based on Yocto recipe license fields and was not verified to be accurate. As such, the license definition is not guaranteed to be accurate. Additionally, a component can change license and that change may not be captured in the Yocto recipe. By accepting this report the licensee acknowledges and agrees that RDK Management LLC does not provide any warranties, assume any liabilities or provide any indemnifications to the licensee in respect of the information included herein.

For additional information on licenses, refer to [SPDX Licenses](#).

Component	License(s)	Version	Recipe Name
