

Encrypted Media Extensions and Media Source Extensions -> support in webkit ?

Hi !

I'd like to know if the version of webkit that is used in RDK support Encrypted Media Extensions (EME) and/or Media Source Extensions (MSE)?

<https://dvcs.w3.org/hg/html-media/raw-file/default/encrypted-media/encrypted-media.html>

<https://dvcs.w3.org/hg/html-media/raw-file/tip/media-source/media-source.html>

Thanks!

Eduardo.
